MAGNIFICENT DAYS OF A CADET'S LIFE

Being a Senior NCC cadet from APS, K. Kamaraj is of immense pride as we got a chance to indulge in numerous activities which kept us mentally and physically fit even amidst the COVID pandemic. We got an opportunity to express ourselves through various tasks like article writing, digital poster and video making, which helps us to explore our area of interest in various fields of life.

With every ongoing task or the parades in our camps, our self-confidence, esteem and discipline ascended. NCC gave us a glimpse of the way of life in the Armed Forces. I got an opportunity to experience it both as a junior and a senior cadet. I also got multiple chances to use rifles and undergo weapon training which would be an impossible task otherwise.

My participation in RDC 2018 would not have been a success without the cooperation and support of my school for many months together. The confidence and experience learnt will take a long way. During RDC, it was a rare opportunity to interact with the hon'ble President shri Ram Nath Kovind, hon'ble PM Shri Narendra Modi, defence minister and chiefs of all three services.

We were lucky to visit many historical places like Qutb Minar, Lotus temple and many more. It was a splendid opportunity to witness the republic day parade in Rajpath. Various cultural activities of the Indian states and even the 11 countries participating in the youth exchange programme were demonstrated.

Above all, the rarest opportunity was to meet and interact with cadets from various parts of India and abroad who come from different strata of society and cultural diversity. All the efforts of my institute, ANOs, PI staff and our fellow cadets have not gone wasted and we are a more responsible person today as the major contribution of NCC.
