

VACCINATION DRIVE

11TH APRIL '21-14TH APRIL '21

Jai Hind

I, Cadet Akash Singh of 64 UP BN NCC, took my father for vaccination. He got his first as well as second dose of the vaccine and had no problems or any health issues. There is nothing to fear. There is no safety issue with the vaccine.

Therefore I appeal to everyone eligible for the vaccine to go to the nearest hospital or any primary healthcare centre and get themselves vaccinated.

Thank you.
