College : College of Agriculture, Dhule.

NCC, The National Cadet Corps, is the only organization of its kind, which imparts Leadership, Discipline, Integration, Adventure, Military, Physical and Community Development training to over 13 lakhs youth of the country. "Unity and Discipline" as motto for the NCC. The Youth of the NCC are the future of India. National Cadet Corps is the youth wing of the Indian Armed Forces with its headquarters in New Delhi, India. It is open to school and college.

I am ~~Mr.~~ Mr. Khandagale Sujeeet Balaso NCC cadet of 48 Maharashtra NCC Battalion. My journey begins from here as a NCC cadet.

My main motive is to join NCC is to learn discipline, to become strong, to become more confident, to become punctual about time and most important my dream is to join Indian Army. And I want to become a hard worker. And want to work for my nation for my country.

Due to Covid situation our camp was decreased to only 5 days. This is our bad luck. But in those 5 days we have got lot of knowledge, fun and much. We come to know across lot of new things.

Early in the morning we assemble at SSVPS college Dhule, our camp day begins from there. We have be loted in groups of Alpha, Beta, Gamma and Delta. We performed lot of group tasks and individual tasks. We come to know about weapons like 0.22 and SLR. Information regarding First aid, National Integration and Quality of Leadership were taught to us.

Dancing and singing contest, Drawing contest, firing contest were arranged in camp which increases excitement among the cadets. We used to have lot of fun in our camp. Cadets are curious about the next day of camp. We were daily given lunch and breakfast tea in our camp.

The last day of camp was quite emotional for everyone. On last day we had send off ceremony. Cadets of the battalion were feeling emotional. Some cadets gave speech of their experiences of camp. Our sir gave us a speech on how to be successful cadet and successful life. Lastly we sang NCC Song and send off. I miss my camp days.....
