

## **WHY SHOULD WE JOIN NCC**

***We the youth of india should join NCC because its our duty to serve for the Nation initially . NCC was started in 15<sup>th</sup> July 1948 the main reason to raise the youth people of india in its several field to support Indian defence forces during the war period . Today in many school and colleges NCC is successfully running and greatly supported by the government of india . In NCC there are three divisions namely army navy and air forces same as in Indian defense .***

***In school its called junior divisions (JD) . In collages it is called senior divisions (SD)***

***In NCC there are 3 certificate A,B and C you should write the exam and drill practices to pass the examination .In NCC you will also be trained to handle rifles and other weapons during the camp training you will be performing in your institution during republic day and independence day with rifles and bayonet you will visiting many camps during the year like Republic Day Camp (RDC), Youth exchange program ( YEP) , Combined Annual Training Camp (CATC) and may more .***

***Participate in many social activities supporting the physically challenged poor people and orphan***

*children so joining in NCC is not based on your interest it is your duty to serve for the mother nation india . Joining NCC is a proud movement that we get opportunity to serve for our nation.*
