

MY EXPERIENCE IN NCC

My first camp was held at Panamanna Anganadi School ground in 2019. We, the TSC cadets attended a one day firing camp. I had a double mind when our seniors told us that you need to attend the camp for TSC selection. I was confused whether I needed to go or not, because I really didn't know where the location was and finally I decided to go and that was a miracle that I'm the one who reached the ground first from our college. Then they showed us how to fire weapons, and we started our trials. That was my first camp in NCC.

Then my next camp was in my college itself, which was a 3 day camp for our B-certificate examination but I fell ill at the time. I attended a three day camp. First day I took sick, so I really missed parades but I was busy writing cadets enrolment list, that's fine.

The remaining 2 days I just attended parades and our camp closed on the third day afternoon, that's all my good experiences on the camp days.
