

World Narcotics Day

Narcotics day is known as international day against drug abuse and illicit trafficking which is celebrated every on 26th June . In 1987 , the United Nations General Assembly decided to observe 26th June as the world narcotics day to raise awareness about drug abuse and spread information to the common public about its side effects.

Every year on 26th June , individual , multinationals and organizations come together to stand against drug abuse and inform people about it .

This day is commemorate with different themes around the world annually. The theme of the 2021 international drugs day is aimed to combat misinformation and encourage the exchange of drug facts .

Drugs are the chemical that changes the way a person's body works . The use of illicit drugs poses a threat to our health , which is why international communities come together to support on this day .

This day is marked by awareness rallies by anti -drug organization worldwide against the drug abuse.

Due to ongoing covid-19 Crisis . people are more aware of their health , protective measures ,to stay fit and safeguarding each other and the pandemic, a sense of solidarity and need to ensure health care for everyone continues to rise .

Life is very important .so we should say 'NO' to the drugs.
