NCC:- NATIONAL CADETS CORPS**

- *On 18th April, 2018 I join SAINIK SCHOOL GHORAKHAL. At that time I was in class 6th. Earlier I don't*

know about NCC.

- *On every Wednesday in our school we had our regularly drill. In the starting I mould myself with the NCC environment.*
- *The best thing I like about NCC is RAGDA [physical workout]. I think RAGDA is the best way to teach discipline to every cadet.*
 - *In my whole class I'm very good in NCC, so therefore many times I used to become troop commander of my Troop. **SAINIK SCHOOL GHORAKHAL** gave me a perfect platform to join NCC.*
 - *Through NCC I want to go to RDC[republic day camp]and also want to be a part of YEP[youth exchange program] For this I will try day and night, and make sure to achieve my dreams in NCC.*
 - *Now, I'm in class 9th. It's around 3 years for me to be a part of NCC.*
 - *To be a NCC cadet is like being unique, hardworking, dedicated punctual, and most of all an achiever. It*

inculcates the attitude of never giving up, it helps you in build a lot of self-confidence and character.

□ *In these 3 years NCC plays a game changer role in my life. It makes me strict, helps me in developing a good personality, it also provides me a positive attitude.*

□ *In these 3 years I have done many social works through NCC, like- I was a part of swachh bharat abhiyan, and our school also spread awareness for world polio day, smoking injurious to health and so on.*

□ *I would encourage you everybody to become a part of NCC. I would like to tell you that NCC will help you out in your upcoming exams like-[UPSC] and many more. It provides you certificates like [A-certificate] [B-certificate] and [C-certificate] according to your performance.*
