

MY NCC EXPERIENCE

An unforgettable memory with abundance of experiences. This phase of my life taught me many new things whether it may be cooperation, sincerity, honesty, time management or group coordination. ANOs are very helpful and supportive and taught us many valuable tips. My seniors were very friendly and guided us during the field classes. It helped cadets to improve their overall personality by teaching them leadership qualities, discipline, honesty, working in a team, to have high self-confidence, being physically fit, service before self, social service and responsibility of service towards motherland and to be a responsible citizen of India.
