

Jai hind

'Swachh Yamuna Abhiyan' was on 9th and 10th of april at ITO chath gath, Delhi.

The event was hosted by the Organizers.

Honorable chief guest was Dr. Harshvardhan (Minister of Health and Family Welfare and Minister of Earth Sciences) and many other ministers took part in the campaign. They motive us with their speeches and stories.

Many NGOs, students and NCC Cadets took part for volunteering the event. They collect all the non- biodegradable substances like plastic or glass bottles, polythene bags, thermacol cups, etc. Gloves are provided by the organizers keeping in mind hygiene and safety issues.

On the 9th april we walked 5 km with the people came from yamunotri dham for awareness. And on second day cleaning program was organized. There was also a painting competition organized by the NGO. At the end of the event we pledge not to pollute yamuna .
