NCC the largest uniformed youth wing. I am very glad to be in NCC. In NCC it is a very good experience to me. The disciplinary wing that I have ever seen, and I also get that discipline from NCC. NCC gave me many pleasurable memories in my entire life, from joining 1st year to 3rd year graduation. The most beautiful thing in NCC is the unity and discipline. In an NCC cadet life the most memorable things happen in camps. Camps will give the strength to acquire the motto of NCC. I have attended three CATC camps, state RD, NCC day drill and EBSB(online). In state RD our team can achieve very good performance in front of great dignitaries. Thank you Santhosh sir and CO Colonel AK Rishi sir to give us opportunity to participate in state RD. NCC day drill also a great opportunity to our team. EBSB online camp it is another experience to me. I am very proud to be an NCC cadet.
