

## NCC - HOW IT CHANGED MY LIFE:

The life as a cadet is one of the best experiences one can ever have as it teaches them life as it is and shows how it is to be an officer in the Indian Armed Forces.

As a matter of fact, NCC cadets live life like an officer without being a part of the premier Indian military training institutes like NDA and IMA.

My personal motivation to join the NCC was the awesome sight of the many Republic Day parades, Independence day parades and the inspiring uniformed NCC cadets I witnessed during my childhood. I enquired about the roles played by a NCC cadet in the society, I got motivated by what I learnt and decided to join the NCC to dedicate my contribution to my country.

NCC was the turning point in my life. It changed me from a common person to a special person. It taught me leadership, time management, stress management, team work which myself unique. This is my story of my unforgettable NCC life.

*It makes me to learn many things, which otherwise i won't get a chance in life, like Discipline, basic arms training, team ethics, following orders, various kinds of physical activities,*

*To be a NCC cadet is like being unique, hardworking, dedicated, punctual, and most of all, an achiever. It inculcates the attitude of never giving up, makes you optimistic and builds a lot of self-confidence and character. The life as a cadet is one of the best experiences one can ever have as it teaches them life as it is and shows how it is to be an officer in the Indian Armed Forces.*

*On a final note, let me leave you with the pledge that every NCC cadet upholds to:*

*WE THE CADET OF THE NATIONAL CADET CORPS, DO SOLEMNLY PLEDGE THAT WE SHALL ALWAYS UPHOLD THE UNITY OF INDIA. WE RESOLVE TO BE DISCIPLINED AND RESPONSIBLE CITIZEN OF OUR NATION. WE SHALL UNDERTAKE POSITIVE COMMUNITY SERVICE IN THE SPIRIT OF SELFLESSNESS AND CONCERN FOR OUR FELLOW BEINGS.*
