I attended this camp as a representative from trivandram group in kerala Lakshadveep directorate. As a representative from kerala, I did the camp verses Gujarat. At the first day Watsapp groups and the programmes for the parcipants were discussed through the meet. Everyday the meet starts at 10 am and it lasts for 5 hrs. The platform was Cisco Webex

I get many friends. But I felt unhappy, because it was a wonderful opportunity for me in attending this camp, due to the pandemic the camp done through online. Finally the camp provided me pleasure, made me to know mire about the state Gujarat, its culture and traditions.

And for me it was a wonderful experience. Thank You.....
