MY EXPERIENCE IN NCC

I CPL. P. Lokesh Goud bearing regimental number TS/19/SDA/150850 of 3/1 COY, 1 Telangana Bn, NCC of Sardar Patel college, sharing my experience in NCC.

NCC was one of the turning points in my life. NCC made me realize the difference between a common person and an NCC cadet. It changed me from a common person to a special person not only in my college but also in society. It taught me leadership, time management, stress management, and teamwork which myself is unique.

In the beginning, it was new to me as I had done my A certificate in 1 Air SQDN, NCC it was a bit different from the training I completed during my A certificate and the training I was taking.

Joining NCC

Our seniors had a physical test to enroll in NCC but we just an interview and some basic questions which were asked by the PI staff in the 1T Unit.

Events and awareness programs in NCC

Being an NCC cadet it is our responsibility to make our society aware of social responsibilities and keep our surroundings neat and clean.

In the beginning, it was our first event was a run on Swatch Bharat Campaign held on December 7th, 2019 at Necklace Road, Tank Bund. Future after that we had many campaigns and social

responsibilities which had done on different topics out of which are Polio Camp, Aids day rally, 2019 Pulwama attack rally, statue cleaning and many more.

Recently we had a rally on Swachh Bharat Campaign in which we made our college premises neat and tidy by cleaning them. In which our seniors have supported and participated along with us and encouraged us in doing everything.

Camps in NCC

My First camp was the Cader camp which was done at AV College of Arts, Science, and Commerce at Domalguda. It was a completely different camp done by us due to a pandemic situation. It was an up and down camp in which we should go attend the camp and come back. We were given training on how to do drills and we have explained parts of the rifle.

My second camp was an Online EBSB camp which was a different experience for me doing a national camp online.

When I got my Rank in NCC

One of the best movements in NCC was that movement when I was given CPL rank by our honorable principal Narmada Mam and in the presence of our CTO Jyothsna Mam.

In NCC we have hard work to do and sweet memoirs to enjoy. Due, to this pandemic situation we may not have Thal Sainik Camp (TSC) but our seniors wanted us to know about TSC camp and our seniors done had done their best to make us know about TSC camp and they even give online classes during the pandemic in 2020. I really want thank each of my seniors for the supporting, helping and encouraging me in every sort of work assigned to me.
