To,
The Director,
CII / Unitedway of Hyderabad,
Hyderabad.

Respected Sir/Madam,

The Government of Telangana has established Telangana Institute of Medical Sciences & Research (TIMS), in May 2020. This is functioning as an exclusive COVID-19 treatment center for the general public free of cost.

Presently a lot of patients are been admitted to TIMS, mostly those who are dependent on oxygen and also those who are in a critical condition

In this regard, I would like to request you to further help our cause of serving COVID cases by contributions through your CSR scheme.

The following are few of the requirements which we need urgently
