

GOVERNMENT OF MEGHALAYA
OFFICE OF THE DEPUTY COMMISSIONER :: EAST KHASI HILLS DISTRICT
:: SHILLONG ::

Dated Shillong, the 26th April, 2021

ORDER

No.C&S.7/2020/Vol.XIII/68: It has come to the notice of the undersigned that there are some persons tested positive who do not maintain the 10(ten) day mandatory period of home isolation. Further, some persons who have tested COVID-19 positive are stepping out of their homes and/or go for repeat testing in other health facilities even before the expiry of the 10 (ten) day period. In doing so, they are putting everyone they meet including their family, health workers and other general public at risk by breaking the protocol of home isolation. Guidelines of the Health & Family Welfare Department as per No. Health.100/2020/64, Dated 24/08/2020 states that any person tested positive shall have to undergo 10(ten) day isolation.

Hence, any positive persons found stepping out and violating the mandatory isolation period will be taken action against under the provision of the Meghalaya Epidemic Disease Regulations, 2020.

Incident Commanders along with area Medical Officer and with the assistance of CCMT will take steps to ensure proper home isolation of all positive persons so that the virus is contained. Health & Family Welfare protocols for management of asymptomatic and mild symptomatic cases under home quarantine may be followed.
