Sub: COVID-19 vaccination for industrial workers in the State – Reg.

\*\*\*\*\*

In order to permit all the industrial units to start functioning, it is very important that the industrial workers are vaccinated. The Department of Health & Family Welfare and the Commerce & Industries Department have discussed this issue and have drawn the following action points for the RCH Officers and the Joint Directors (Industries) of the respective Districts:

- (a) The industrial workers of above 45 years age group may get vaccinated at the nearest Health Centres. The same can be scheduled by the RCHO's in co-ordination with Joint Director (Industries) to avoid overcrowding.
- (b) If possible work site vaccination may be organized at the industrial medical facility by the RCHOs/JDs in consultation with the concerned industries by following the GoI norms for COVID-19 vaccination.
- (c) For the vaccination of the industrial workers of age group 18 to 44, the Joint Directors (Industries) of the respective districts may prepare list of the industrial workers, based on the categories notified by Government and arrange for their vaccination either at the Vaccination Centres or at the work sites following the COVID-19 vaccination guidelines.

The concerned DHOs/JDs shall take action on the lines mentioned above and a report in this behalf be submitted to Government monthly.
