**Sub: Rationalisation of provision of Pegylated Interferon alpha-2b (PegIFN)
and Casirivimab&Imdevimab for use under EUA.**

Madam / Sir

Following permission of DCGI to use Pegylated Interferon alpha-2b
(PegIFN) & casirivimab and imdevimab under EUA, it has been decided
that the drugs will be made available to the state for use by the
prescribing physician strictly complying to the indication and
requirement under EUA regulations. The drugs will be kept in stock at
OSMCL and other selected distribution sites. These drugs will be issued
against the requisition by the prescribing physician through
Superintendent and CDM&PHO.
