Possible Solution to Problem:

- In all matrimonial/family cases preliminary inquiry must be done as per Hon'ble Supreme Court judgement i.e., Lalita Kumari v/s Govt. of UP & Ors on 12 November 2013.
- All false accusers should be punished severely to prevent the loss of lives, money, time, and efforts of innocent people.
- Article 14 states that –treatment of all citizens without any distinction and that the law of the land should be fairly regulated irrespective of a person's race, caste, gender, place of birth, etc.
- All gender-biased laws like 498A, 304B, 376, 354, 377 IPC & DV Act should be made gender-neutral and proper investigation should be mandated before any coercive action by any agency.
