

Social Media Content Writer

MyGov is the citizen engagement platform of Government of India. It is an Independent Business Division under Digital India Corporation, a Section 8 company under Ministry of Electronics & Information Technology. Details about MyGov can be seen at <https://MyGov.in>.

MyGov is looking for Social Media Content Writer as Associate or Senior Associate level to join our team and will be required to measure the effectiveness of social media campaigns, monitor trends in social media and emerging trends/best practices and provide effective recommendations.

Social Media Content Writer responsibilities includes researching conversations across social media platforms and analysing trends. Ideal candidate should have proven skills in out of box thinking and have an eye for detail.

Ultimately, you'll be required to designing campaigns around key public policy initiatives that can be used across MyGov platforms, with a special focus on those that would appeal to citizens, and will help drive citizen engagement.

You will be under probation for the first 3 months from the date of joining. It is not mandatory for MyGov to absorb you or offer you regular contract after the completion of the probation period. The period of probation can be reduced or increased by MyGov and shall be solely based upon your performance.

After successful completion of initial contract period, regular contract will be given.
