Subject: Suggestions for the forthcoming Assembly/MP Elections – regarding.

Sir

I am very much thankful to you for considering some of my suggestions for the implementation with some modifications in the last/previous budget. I believe that with the same spirit I would like to propose some suggestions regarding the forthcoming Assembly/MP Elections for your kind consideration and the necessary action at your end. As I am one of the strong / staunch worker/ sympathizers represent common middleclass people and also associated with the poor people. I want to express my views which represents the thoughts / feelings of TELANGANA people. I Hope you may take these suggestions / ideas positively for favorable consideration.

To win the Hearts/ Votes of Telangana People the following suggestions may be considered seriously with a positive mind.

1. KCR's daughter Kavitha 'SHOULD BE ARRESTED IMMEDIATELY' otherwise here local people are thinking that you are all one only.
2. The PROBE ON KALESWARAM SHOULD BE INITIATED AND SPEED UP IMMEDIATELY, KCR and Harish Rao should be made busy in Enquiry and should not be able to concentrate on elections.
3. Enquiry on TSPSC Paper Leakage case should be speed up by ED/CBI, so that KCR and few ministers So that KTR and few ministers including some IAS officers will be booked.
4. And also, Probe should be initiated on SUMMOTTO basis by ED/CBI 'DALITA BANDHU SCHEME' by which is TRS/BRS Leaders involved in fraud, Exposed by KCR himself.
5. Don't conduct Assembly elections soon after KCR dissolves assembly. Impose PRESIDENT RULE, for 6months to one year, as there are lot of things to set right. For this the reason can be given that to conduct combined elections simultaneously for both Assembly and Parliament.
6. Remove all TOP cadre IAS/IPS officers who are acting as KCR binamis. And reshuffle them and some of them may attached to MHA
7. Special Courts should be initiated to probe all political lobbying and all Retired IAS/IPS officers.
8. Under President rule only conduct TSPSC exams as per their schedule. So as to increase the confidence level. And also see that all pending projects /works should be completed.
9. OWAISI SHOULD BE put under SCANNER of NIA/CBI/UAPA immediately.
10. DECLARE ETELA RAJENDER as CM Candidate, to win over congress/ BRs/TRS.

11. Take Feroz Khan in to confidence and invite him to join the party give him the task to challenge to contest against Owaisi. He is ready and can defeat Owaisi.
12. Implement immediately the voter id and Aadhar link. 50% of Bogus Votes will be vanished.
13. For Assembly elections campaigning Top BJP Leaders Like Etela, Raghunandan Rao, Raja Singh, Konda Vishweswar Reddy, K. Rajgopal Reddy, Vivek Venkat Swamy, etc., Should be encouraged and assign them complete responsibility to bring BJP in to power.
14. Start immediately to develop 'Ram Temple' at Bhadrachalam, in Khammam District. So that what KCR has neglected and BJP wants may clarified and if possible, try Rejoin those 7 Mandals which are given to Andhra Pradesh.
15. Keep an eye on those who are planning to Grab (YSRCP Gundas) 800 acres of Ram temple land.
16. During President rule itself if sample BJP rule is shown like reducing VAT on Petroleum products. So that people will get confidence over BJP.
17. IT/ED/NIA/CBI raids should be conducted frequently on all TRS leaders and their Binomi IAS / IPS officers.
18. Take Bandi Sanjay & D. Aravind into Central Ministry.
19. Keep an eye on ED/CBI/NIA officials who are Probing Kavitha/KCR/KTR/Harish Rao, as they can manage/manipulate anything.
20. If possible, ask Mr. Jayprakash Narayanan to join BJP. If he accepts can allot MP seat (RS), if he can't win in LS polls.

WELFARE MEASURES TO BE TAKEN:

1. First and the foremost point to be considered for the common people is Health and Education which are non-productive/profitable. Instead of giving subsidies for temporary issues it will be more beneficial and advantageous to help the common people by providing free medical facilities up to some extent at least, and Education upto Graduation / the latest 5+3+3+4 system, if not Possible for KG to PG.
2. Secondly The Farmers:
 - i) They should be given Better/Reasonable market value to their crop and take necessary steps to remove Brokers.
 - ii) They should be given free /subsidized fertilizers
 - iii) All political parties are favoring only the land owners, but not able to think of agricultural labors who hires the land and works in the field. Please try pay attention on such poor workers.
3. 'DHRANI' Portal Should be removed/cancelled. As it was introduced by KCR and his Lobby to Grab the Un identified lands
4. Increase the number of General Bogies to 4 or 5 in all Express Trains, so that it will be benefitted common people and can increase the fares if needed. No problem. As they are at very low rates and even State RTC bus fares are very high.
5. Conduct thorough Probe on all TRS Welfare Schemes which have been implemented through TRS leaders. As KCR himself accepted that they have taken 30% commission over sanctioning of these to beneficiaries.
6. Remove/ Declare to remove/ reduce all Wine shops / Belt shops by restricting / minimizing them.
7. Reshuffle All Police dept. employees as they all are behaving like TRS leaders. (As a punishment)
8. Conduct transfers for teachers who are very much frustrated with this TRS Govt. (As a Welfare measure)
9. All TRS leaders are directly /indirectly involved in Land Grabbing. And illegal constructions. Apply Yogiji's Model.
10. Specially to control Muslim votes through EC pass an order Hizab/ Burkha will not be allowed.
11. Promise to probe on all illegal decisions made by KCR during his 10 yrs tenure.
