WHAT’S INSIDE

PM Modi’s Historic Visit to US & Egypt

Yoga Now A Global Movement

India’s Urban Transformation in Action
From the CEO's Desk

As the digital world becomes an integral part of our lives, citizen participation and engagement in governance are taking on new dimensions. MyGov India, with its mission to connect the government and citizens, has seen tremendous success in fostering active involvement and collaboration. We herewith introduce our first edition of MyGov Pulse Point- A fortnightly Citizen Connect Newsletter. This will have major Government initiatives in the past 15 days, inspiring stories from Mann Ki Baat, Engagement corner, AatmaNirbharBharat sectorial coverage, Citizen connect activities and other aspects.

Today, we proudly announce that MyGov India has become a family of 3.15+ Crore Saathis, a testament to the power of participative governance and the spirit of nation-building.

One of the highlights of recent times has been Prime Minister Narendra Modi's historic visit to the United States. During his visit, he emphasized the importance of Indo-US relations and showcased India's achievements and contributions on the global stage. This US visit is not just a mere diplomatic visit. It is laden with purpose & progress. Fueling advancements in critical areas of Technology, Space, Defence and People to People Ties. Further details on this trip have been covered in our lead story of this Newsletter.

It also gives me immense joy to let you know that thousands of Yoga enthusiasts from over 135 nations joined Prime Minister Narendra Modi at the United Nations Headquarters to celebrate the 9th International Day of Yoga, which bagged the Guinness Book of World Record as well. This not only exemplifies the essence of "Yoga for Vasudhaiva Kutumbakam" - the belief that the entire world is one family, but also fills every Indian with immense pride.

We have an exciting array of live activities across various domains waiting for your participation! At present, there are 14 DO activities, 13 quizzes, 47 pledges, 2 surveys, and 7 innovative activities that look forward to your little contributions for nation building. For more information, please visit mygov.in. Engage and enjoy!

Lastly, we are glad to announce the MyGov Saathi 2.0 initiative, which I am sure shall play a pivotal role in bringing together this massive community of active citizens with more exciting rewards points, benefits and recognition. As we celebrate the tremendous growth of MyGov and the unwavering commitment of our Saathis, we express our heartfelt gratitude to each and every individual who has contributed to this success. Your active involvement and continuous support has transformed MyGov into a vibrant participatory governance platform to shape our nation's destiny.

Prime Minister Narendra Modi’s ‘State Visit’ to the United States was marked by several historic moments and significant achievements. Notably, he became the first Indian Prime Minister to address the U.S. Congress twice, Second Indian Prime Minister to receive this recognition, third Global Leader to receive an invitation for a state visit from President Joe Biden, further underscoring the significance of the visit.

What are the Big Deals from this US Trip?

- The Artemis Accords for space exploration collaboration.
- Micron Technology, Inc. has committed up to $825 million to bolster the semiconductor industry.
- General Electric’s decision to manufacture jet engines in India will boost India’s aerospace capabilities.
- INDUS-X initiative will foster joint defence technology innovation.

On his visit to Egypt, PM Modi visited prominent landmarks such as the Great Pyramid of Giza and the Heliopolis Commonwealth War Cemetery, paying homage to shared historical heritage. A key highlight was his meeting with Egyptian President Abdel Fattah El-Sisi, where they signed strategic partnership documents and exchanged Memorandums of Understanding. President El-Sisi bestowed upon PM Modi the prestigious ‘Order of the Nile,’ marking the 13th international honor recognizing PM Modi’s exceptional global leadership.

In conclusion, Prime Minister Modi’s state visit to the United States & Egypt underscored the shared values and aspirations of both countries, people to people ties and paved the way for further cooperation and progress.

June 25 marks the anniversary of significant urban transformation initiatives in India, including the SMART City program, the Pradhan Mantri Awas Yojana (PMAY), Swachh Bharat Mission - Urban (SBM-U), Deendayal Antyodaya Yojana - National Urban Livelihoods Mission (DAY-NULM) and Heritage City Development and Augmentation Yojana (HRY) and the Atal Mission for Rejuvenation and Urban Transformation (AMRUT). These initiatives have been instrumental in driving positive changes in urban areas across the country. The SMART City program focuses on creating sustainable and technologically advanced cities that enhance the quality of life for residents. The PM Awas Yojana aims to provide affordable housing to all sections of society, particularly those belonging to economically weaker sections. AMRUT focuses on improving basic infrastructure and providing essential services in urban areas.

The metro rail projects being implemented in several cities provide a glimpse of the future that is putting a high premium on a safe, fast and environmentally sustainable form of transportation.

Relentless efforts are being made to make the lives of citizens in urban areas healthy and comfortable, thereby enhancing the overall living standards.
