Today's India Has Demography, Democracy & Diversity
From the CEO’s Desk

Dear Readers,

With deep appreciation for your unwavering support, we proudly present the 4th edition of MyGov Pulse. In its fourth edition, MyGov Pulse is spotlighting several Positive News in India including key bills from the Monsoon Session 2023, Kashmir's progress after abrogation of Article 370, and the celebration of National Handloom Day.

This edition also celebrates the 77th year of independence, reflecting our journey so far, and fostering the spirit of collective progress. Speaking from the ramparts of the Red Fort, PM Narendra Modi addressed fellow countrymen as ‘Parivarjan’ and unveiled several mantras to elevate the nation. He also highlighted various achievements that India has attained ahead of schedule time.

Join us in commemorating PM Narendra Modi’s remarkable achievement: Acceptance of the Lokmanya Tilak National Award. As the 41st recipient of this esteemed honor, he expressed his heartfelt gratitude to the nation’s 140 crore citizens and announced a generous contribution of the prize money towards the Namami Gange Project.

In the spirit of collective progress, I urge all citizens to join us in sending heartfelt prayers and best wishes for the successful landing of the Chandrayaan on the lunar surface. Your well wishes can truly contribute to this monumental achievement for our nation.

Under the AatmaNirbharBharat initiative, you will get a chance to witness in depth the transforming face of Indian Railways in the last nine years, under the leadership of PM Narendra Modi. Through a series of transformative projects, the Indian Railways has achieved several milestones that have uplifted its status and contributed in boosting India’s economy.

Lokmanya Tilak Legacy Continues With PM Modi

Adorning his accomplishments, Prime Minister Narendra Modi was honored with the prestigious Lokmanya Tilak National Award. Becoming the 41st laureate of this distinction, he graciously extended his gratitude to the 140 crore strong Indian populace. Adding a touch of benevolence, PM Modi announced to donate the cash prize for the noble cause of the Namami Gange Project.

Highlighting his feelings for the occasion, the Prime Minister said that “Lokmanya Tilak ji is the ‘tilak’ of India’s freedom struggle. His influence was evident on all the leaders. Even Britishers had to call him 'Father of the Indian unrest'."

About Lokmanya Tilak National Award

The Lokmanya Tilak National Award was constituted by Tilak Smarak Mandir Trust in 1983 to honor the legacy of Lokmanya Tilak. It is awarded to people who have worked for the progress and development of the nation and whose contribution can only be seen as remarkable and extraordinary. It is presented every year on the 1st of August - Lokmanya Tilak’s death anniversary.
"Khadi is 'Vastra', 'Astra', & 'Shastra' for those who dream of an Aatmanirbhar Bharat & Support Make in India initiative." - PM Narendra Modi

From introducing fast-speed Vande Bharat trains to expansion of railway tracks and upgrading of railway stations to prioritising passenger comfort, Prime Minister Narendra Modi has completely transformed the face of Indian Railways in the last 9 years.

Through a series of transformative projects, the Indian Railways has achieved several milestones that have uplifted its status and contributed in boosting India’s economy.

**VANDE BHARAT EXPRESS TRAINS**

With a view to provide better travel experience to the passengers, Indian Railways has introduced India’s first-ever indigenously designed and manufactured semi-high speed Vande Bharat trains. High Speed, enhanced Safety and modern coaches with world class Service are the hallmarks of this train.

- ₹1343.72 Crore manufacturing funds
- 12,000+ kms covered
- 50 trains (as on 28th July, 2023)
- 24 States connected
Picture a railway station that’s more than just a stopover! The Amrit Bharat Station Scheme is set to revamp 1275 railway stations across India, with the aim to elevate the passenger experience. The scheme emphasizes on infrastructure enhancement, facilities for Divyangjans, provision of ballastless tracks, environment friendly solutions, and creation of city centers at the station in the long term.

It’s not just a scheme – it’s a journey towards a modern, inclusive, and connected India!

**MISSION 100% ELECTRIFICATION OF TRACKS**

In the last 9 years, India’s railway electrification surged significantly, covering 58,424 RKMs, which accounts to 90% of Indian railways. Switching to electric traction curbs pollution, cuts foreign fuel reliance, and drives rural growth.

![Graph showing 73% increase in electrification from 2014 to 2023](image)

**ELEVATING RAILWAYS IN NORTHEAST**

Connecting NorthEast India is a top priority for the Indian Government. Budgets for regional infrastructure surged since 2014, funding projects worth Rs 75,795. Over 2014-22, 1544 km of railways were commissioned in the region.
