Missed the exclusive stories that PM Modi spoke about in the August 2023 edition of Mann Ki Baat?
Dear Readers,

With heartfelt gratitude for your steadfast support, we are delighted to unveil the 6th edition of MyGov Pulse.

This edition casts a spotlight on India's triumphant presidency in the G20 Summit, showcasing our leadership on the global stage. As we navigate the global landscape, we take pride in India's active role in the 18th East Asia Summit and the 20th ASEAN-India Summit, fostering stronger ties with our neighbors.

After the successful landing of Chandrayaan on the Moon, another historic moment is etched in the skies as we celebrate the successful launch of Aditya-L1, a mission that explores the sun's mysteries.

We explore inspiring MyGov State Instances, showcasing grassroots transformation. Under the Jan Sampark, Our Campus Ambassadors shine a light on bridging gaps and advancing Participatory Governance.

Lastly, we reflect on the achievements of our nation. India's strong infrastructure sector drives economic progress, evolving in sync with Aatmanirbhar Bharat's vision, reinforcing its vital role in the nation's growth.

Amidst these remarkable milestones, we extend our warm invitation for you to engage in our array of interactive activities and make your voice heard for a prosperous future for India.

We value your feedback and invite you to share your thoughts with us at MYGOV-PULSE@MYGOV.IN or on social media platforms using the hashtag #MyGovPULSE. Your insights are invaluable in shaping the future editions of MyGov Pulse.

Akash Tripathi, IAS
CEO, MyGov
MeitY, in collaboration with Meta, AWS and MyGov, presents the AI Gamechangers Award 2023: A platform to recognise AI innovators & entrepreneurs for their impactful AI solutions in key areas as Global Health, Climate Change, Resilient Society, Collaborative AI Global partnership, and Sustainable Agriculture.

Awards Categories:
1. AI in Governance Leader Award
2. NextGen Leaders Award

Chandrayaan 3 Maha Quiz

Are you ready to reach the stars?

Embark on a Cosmic Odyssey to Celebrate Chandrayaan 3's Epic Moon Landing! Dive into the vastness of space, challenge your celestial wisdom, and unravel the lunar enigmas in the Chandrayaan Maha Quiz.
MyGov Campus Ambassadors, in collaboration with SR Educational Society, organized the Gurupoojotsavam event with the aim to extend the reach of the MyGov Campus Ambassador Campaign throughout the Ananthapur district. The event took place at the prestigious Drama Hall in Government College, Ananthapur, with the primary goal of bridging the gaps in India and paving the way for Participatory Governance through MyGov India.

MyGov appreciates your support, but the journey is far from over! MyGov India invites you to become a Saathi to participate in various events, campaigns, and online discussions and actively engage in governance.

What Will You Do?
- Learn
- Grow
- Brainstorm
- Spearhead

India’s Ambitious G20 Presidency

Inclusion of African Union in G20

India’s successful initiative to include the African Union as a permanent G20 member offers a platform for African leaders to address global challenges related to development, finance, economics, and the environment. This move is viewed as a significant stride towards enhancing the economies of various African nations.

New Delhi Leaders Declaration

At the G20 Summit, global leaders unanimously agreed to shape a sustainable future, focusing on climate action, economic growth, and global health.
Global Biofuel Alliance for Sustainable Energy Future

At the G20 Summit in New Delhi, PM Modi, along with leaders from various nations, launched the Global Biofuel Alliance (GBA), which seeks to accelerate global biofuel adoption by promoting technology innovation, sustainable biofuel use, robust standards, and knowledge sharing.

Global Alliances initiated by India

- International Solar Alliance (ISA)
- Global Biofuel Alliance
- One Sun, One World, One Grid
- International Big Cat Alliance
- LiFE: Lifestyle for Environment
- Coalition for Disaster Resilient Infrastructure (CDRI)

Revolutionizing Connectivity: PGII & the IMEC Initiative

PM Modi and U.S. President Joe Biden co-chaired the G20 Summit’s special event, focusing on the Partnership for Global Infrastructure & Investment (PGII) and the India-Middle East-Europe Economic Corridor (IMEC).

It aims to enhance connectivity and investment in infrastructure between India, the Middle East, and Europe. IMEC consists of Eastern and Northern corridors, including rail, ship-rail, and road networks, fostering economic integration between India and Europe.
The G20 Summit reached a ground-breaking consensus on the role of DPI

Bill Gates (Philanthropist)

New connectivity corridor a solid win for India

Jeff M. Smith (Researcher)

Under India’s leadership, we have demonstrated that we can come together, at a time when it really matters

Rishi Sunak (Prime Minister of UK)

The G20 has just ratified through the voice of PM Modi, the admission of African Union into its fold

Azali Assoumani (President of Comoros & African Union)

I laud India for its role in getting the AU admitted in the G20

Cyril Ramaphosa (President of South Africa)

G20 New Delhi Leaders’ Declaration is a reflection of India’s clout as an influential economic and strategic power

Deepak Sood (Secretary General, ASSOCHAM)

CII congratulates Hon PM Modi on achieving such strategic and wide-ranging global outcomes

R Dinesh (President, CII)
Tour at BHARAT MANDAPAM

CRAFTS BAZAAR
Talented artisans showcase their exquisite art and crafts on global stage

NATARAJA STATUE
A testament to India's age-old artistry & traditions

Digital India Experience Zone
A virtual journey through India's digital transformation, featuring Aadhaar, UPI, Bhashini, DigiLocker, ONDC, and G.I.T.A.
Strengthening Connections in Border Areas

90 infrastructure projects of BRO worth over Rs 2,900 crore inaugurated across 11 States/Union Territories

- Nechiphu Tunnel in Arunachal Pradesh
- 2 airfields in West Bengal
- 2 helipads
- 22 roads
- 63 bridges

The iconic 'Wagh Nakh' of Chhatrapati Shivaji Maharaj, is set to be brought back from the U.K.

The iron weapon shaped like tiger claws holds historical significance as it was used by Shivaji Maharaj to conquer Bijapur sultanate's general Afzal Khan in 1659. Its return symbolizes a significant milestone in Maharashtra's cultural legacy.
**BIG MOMENTS of India**

**Historic launch of Aditya-L1: Where science meets the Sun!**

New India’s mission to unveil the Sun’s mysteries and study solar upper atmospheric layers

**Destination: Lagrange Point-1 (L1)**

At Lagrange Point-1 (L1) Sun and Earth’s gravitational forces balance out. It allows objects to remain stable providing an observational platform in space.

**Distance:** 1.5 Million Km from Earth

**India's Diplomatic Symphony at 18th East Asia Summit**

At the 18th East Asia Summit, PM Modi emphasized the significance of the EAS mechanism and reaffirmed India’s commitment to its strengthening. He reiterated India’s support and advocated for a free, open, and rules-based Indo-Pacific region.

The Prime Minister called for a collaborative approach to address global challenges, including terrorism, climate change, resilient supply chains, and energy security. He also showcased India’s climate change initiatives, such as ISA, CDRI, LiFE, and OSOWOG.
At the ASEAN-India Summit, PM Narendra Modi engaged in comprehensive talks with ASEAN counterparts to bolster the ASEAN-India Comprehensive Strategic Partnership and outline its future direction. Introduced a comprehensive 12-point proposal to bolster India-ASEAN cooperation, spanning connectivity, digital transformation, trade, and addressing global challenges.

Key initiatives include creating a multi-modal economic corridor, sharing India's Digital Public Infrastructure, establishing the ASEAN-India Digital Future Fund, and advocating for collective representation in multilateral forums.

The Summit also included the first Joint Maritime Military Drill in the South China Sea. Indian Naval Ships Satpura and Delhi participate in IMDEX-23 & IMSC hosted by Singapore.

The backbone of India’s economy lies in its robust infrastructure sector, which plays a pivotal role in driving the nation’s overall progress and acts as a catalyst for its economic growth. Consequently, the already dynamic infrastructure sector in India is currently undergoing a transformative evolution like never before, aligning perfectly with the vision of Aatmanirbhar Bharat.

The Gati Shakti National Master Plan (NMP) stands as a transformative approach as it seamlessly integrates and enhances connectivity, addressing critical infrastructure gaps while minimizing disruptions.

Railways

From introducing fast-speed Vande Bharat trains to expansion of railway tracks and upgrading of railway stations, PM Modi has completely transformed the face of Indian Railways in the last 9 years, boosting India's economy impressively.
Remarkable India is the 3rd largest domestic aviation market. Digi Yatra is setting a new global benchmark for a seamless, hassle free and health risk free passenger process at airports. Under UDAN scheme, 180 RCS airports including 25 Water Aerodromes & 40 Helipads identified for operations.

Giving Wings To Common Man

India’s road network is rapidly progressing, adding over 53,000 kilometers in nine years, aligning with PM Modi’s ‘Aatmanirbhar Bharat’ vision. With 63.73 lakh kilometers of roads, India boasts the world’s second-largest road network. Road construction surged from 12.1 km per day in 2014-15 to 28.6 km per day in 2021-22.

Remarkable Roadway Transformation

India's road network is rapidly progressing, adding over 53,000 kilometers in nine years, aligning with PM Modi’s 'Aatmanirbhar Bharat' vision. With 63.73 lakh kilometers of roads, India boasts the world’s second-largest road network. Road construction surged from 12.1 km per day in 2014-15 to 28.6 km per day in 2021-22.

Navigating India's Waterways Infrastructure

Port performance is vital for a competitive economy. Aligning with PM Modi’s vision of Aatmanirbhar Bharat, Sagarmala programme promotes port-led development, utilizing India’s vast coastline, navigable waterways, and strategic trade routes to reduce domestic logistics costs with minimal infrastructure investment.
